## Message from the Principal

As the festive season of Dashain arrives, I would like to wish all our Parents, Staff and Students a very meaningful celebration of Dashain. Let the Truth Prevail in our lives. May this festive season bring lots of Joy, Happiness, Peace, Unity and Prosperity into everyone's life, family and in the Society.

I am extremely happy to know that students are coming up with their creative writing and other works along with their day today learning in the class rooms. Extracurricular activity or initiative is one of the factors in the life of a student, that clearly show a roadmap of a student where s/he heading to. I am also indebted to Siddhanta Shrestha, a volunteer of SXC A Levels, who took initiative to organize and help students in coming up with this short newsletter.

Wish that this platform may help every student to come up with creative writings and expressions and allow them to grow more. It's only a beginning now, wish that this benevolent work sees continuation takes better shape in days to come.

Congratulate all the students, whose articles will be published in first ever historic newsletter SXS Magis Corner. Never give up, every moment is an opportunity to improve and to do better.

Wish you all good luck. Enjoy reading the articles.

## SXS DASHAIN CAMP - 2076

From 29<sup>th</sup> September – 3<sup>rd</sup> October, St. Xavier's School Sadakbari organized their five days long activities in the form of Dashain Mela. The event was a fairly big occasion as it was first time organizing such camp for the students. The first day of the camp started with the essay writing and on the spot writing competition. Most of the co-curricular activities were held on the second day. Elocution, Drawing/Painting Competition, Quiz Competition were held on the second day. Third day was started with the Nepali Elocution followed by One Act Play Competition. Outdoor games also were conducted on the third day as weather became clear. Kabaddi and Shotput were conducted in the afternoon. Fourth day was totally a field game day. Football, 100 m race and other field games were conducted. March past practice was also done on the same day. Juniors finally got chance to play outdoor games on the fourth day. They played various fun games like spoon race, balloon burst and chocolate game. The fifth and last day was full of entertainment. Dance and Music Competition was held. Afterwards, children celebrated dashain by exchanging greetings with their friends and teachers. So, 5 days Dashain camp ended with a lot of fun and memories. Since this was our first time organizing such event, we learnt many new things that can be useful in the future. So, in overall, SXS Dashain Camp was a grand success.

### Good and Bad Habits

Some habits are good and some are bad. Good habits are useful and do well to the individual and other people in the society whereas bad habits cause trouble to everyone. Let's talk about some bad habits.

#### \* Smoking

Smoking is a bad habit. It affects the health of the people. It makes the people ill. Many people die of different diseases caused by smoking.

#### \* Alcoholism

It is also one of the bad habits. People who drink alcohol more lose control of themselves. People become unconscious after drinking alcohol. A man, after drinking excessive alcohol, beats his wife and threatens his children. A driver who drinks alcohol may cause accidents.

#### \* Drug Addiction

People who take drugs are called drug addicts. Drug addiction causes serious health problems. People taking drugs become weak and sick. They also get involved in various illegal activities. They become violent.

So, there is a need to create awareness among the people and only this could end all the evil practices in the society.

### स्वर्गसरि मेरो देश

नेपालीको शिरमाथि हाँस्छ हिमाल  
त्यही ठाँउमा रमाई बस्छन् डाँफे मुनाल  
लालिगुरास फूल फूलने भिरपाखा भरि  
लाग्छ मलाई मेरो देश साच्चै स्वर्गसरि

तराईमा लहलह धानका बाला झुल्छ  
मादल र सारङ्गीमा हाम्रो भाका खुल्छ  
गुनगुनाउँछन् मेचीकाली हाम्रै वरिपरि  
लाग्छ मलाई मेरो देश साच्चै स्वर्गसरि

सगरमाथा नेपालको राख्छ ठुलो शान  
त्यसैले त संसारले गर्दछ ठुलो मान  
नझुकाउने स्वभिमान छ हाम्रो सधैं भरि  
लाग्छ मलाई मेरो देश साच्चै स्वर्गसरि

### आदिवासी जनजाति

आदिवासी जनजाति भनेको पहिले देखि नै बसोबास गर्दै आएका मानिसहरु हुन्। आदिवासी जनजाति भित्र धेरै किसिमका जनजातिका मानिसहरु पर्दछन्; जस्तै - राजवंशी, थारु, सन्थाल, नेवार, गुरुङ, राई, लिम्बु, सुनुवार आदि।

यिनिहरु मध्ये कोही हिमालमा, कोही पहाडमा र कोही तराईमा बस्छन्। यिनिहरुको भेषभुषा, पहिरन, खाना, र वातावरण फरक-फरक हुन्छ। उनिहरुको परम्परा पनि फरक हुन्छ। यिनिहरु मध्ये तराईमा बस्नेहरु राजवंशी, मेचे, सन्थाल, थारु हुन्। त्यसै गरी हिमालमा बस्ने चाही राइ र लिम्बु हुन् भने पहाडमा बस्ने नेवार, गुरुङहरु हुन्। हामी सबै एउटै बगैंचा भित्रको फुलहरु होऔं। त्यसैले हामीले आफुलाई सानो-ठुलो मान्नु हुँदैन। हामी सबै मिलेर बस्नु पर्छ।
